

### **III. REMARKS**

The Office found the Amendment of June 24, 2005 to be non-compliant because the amendments to the specification on page 2 were inadvertently placed under a heading entitled "II. Amendments to the Claims." The title has been corrected to "I. Amendments to the Specification," and corrected page 2 of the amendment is hereby submitted. Applicants therefore request entry and consideration of the amendment dated June 24, 2005.

In view of the foregoing amendments, it is respectfully submitted that all claims now active in the present application are in condition for allowance. Therefore, passage of the application and claims to issue is respectfully requested.

Respectfully submitted,
